Joint CSIR - UGC NET December 2019 National Testing Agency - Score Card

Application	191620197080	Roll N	umber :	MR2216201155	
Number : Candidate's Name :	RUPALI DASHARATH SHINDE				
Mother's Name :	other's Name : DARSHANI DASHARATH SHINDE			RUPALI D. SHINDE	
Father's Name :	DASHARATH O				
Category :	GEN-EWS	Person with Disability(PwD):		No	
Gender :	FEMALE	Date of Birth :		24-02-1997	
Subject: CHEMICAL SCIENCES		10			
No of Candidates in this Subject	Registered :	65356	Appeared :	53390	
Applied For : APPLIED FOR JRF					

Marks Obtained

Part A	5.000	
Part B	29.000	
Part C	70.000	
Total Marks Obtained	104.000	
Total Marks Obtained (in words)	ONE HUNDRED FOUR POINT ZERO ZERO ZERO ONLY	
NTA Score	98.6458138	
Result	RANK-085 Qualified for JRF(NET)-UGC	

Dated: 15.01.2020 Senior Director, NTA

Note:

- 1. This electronically generated Score Card is the official result declared by NTA and does not require any signature.
- Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online Application Form
- 3. The NTA Score indicates the percentage of candidates who have scored EQUAL TO OR BELOW(same or lower raw marks)candidates. The NTA scores of a Candidate have been calculated as follows:

100XNumber of candidates appeared in the examination with raw marks EQUAL TO OR LESS than the candidate

Total number of the candidates appeared

(उठातर शिक्षा विभाग, मानव संसाधन विकास मंत्रालय भारत सरकार के तहत एक स्वायत्त संगठन) (An Autonomous Org. under the Dept. of Higher Edu. Ministry of Human Resource Development, Govt. of India)

Joint CSIR-UGC Test JRF AWARD LETTER

Roll No.: MR2216201155

Dated: 20.07.2020

NTA Ref. No.: 191620197080

RUPALI DASHARATH SHINDE Son/Daughter of DARSHANI DASHARATH SHINDE

and DASHARATH GANGARAM SHINDE Subject: CHEMICAL SCIENCES

Dear Candidate.

I am pleased to inform you that you have qualified for Junior Research Fellowship (IRF) and eligibility for Assistant Professor in the Joint CSIR-UGC TEST conducted in December 2019. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 23rd January, 2020 (or) from the date of admission under M.Phil/Ph.D. (or) from the date of joining M.Phil/Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at Annexure I available on www.ugc.ac.in/netjrf

The Awardee is required to get admission and registration for regular and full time M.Phil./Ph.D. course in a University/Institution/College recognized by UGC at the first available opportunity but not later than three years from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure available on www.ugc.ac.in/netjrf.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC had developed a dedicated web portal (https://scholarship.canarabank.in) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker lds which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC had proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursal of fellowship into bank account of the student. In this regard, Secretary, UGC had already requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- i. If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship,
- ii. Misconduct of Awardee,
- iii. Unsatisfactory progress of research work,
- iv. Failure in any examination related to M.Phil/Ph.D.,
- In case any other fellowship is drawn from other source(s),
- vi. Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on https://ecertificate.nta.ac.in. The eligibility of the candidate is to be ensured by the concerned institution/appointing authority. The category under which the candidate had appeared may be verified from NTA.

This electronic JRF award letter can also be verified by scanning the QR Code.

With best wishes.

Senior Director, NTA

Note: NTA has issued the electronic JRF award letter on the basis of information provided by the candidate in his/her online application form. The appointing authority should verify the original records/certificates of the candidate while considering him/her for JRF award or appointment, as the NTA will not be liable for any false information provided by the candidate. The NTA is only responsible for the result which can be verified from the repository available in the website of NTA (estimates). The candidate must fulfil the minimum eligibility conditions for NET as laid down in the notification for Joint CSIR-UGC Test.

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship, Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

GATE Score =
$$S_q + (S_t - S_q) \frac{(M - M_q)}{(\overline{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

 M_q is the qualifying marks for general category candidate in the paper

M̄_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

 $S_q = 350$, is the score assigned to M_q

 $S_t = 900$, is the score assigned to \overline{M}_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session \widehat{M}_{ij} was computed using the formula

$$\widehat{M}_{ij} = \frac{\overline{M}_t^g - M_q^g}{\overline{M}_{ti} - M_{io}} (M_{ij} - M_{iq}) + M_q^g$$

where

 M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

 \bar{M}_{t}^{g} is the average marks of the top 0.1% of the candidates considering all sessions

 M_n^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

 \overline{M}_{ti} is the average marks of the top 0.1% of the candidates in the t^{th} session

 M_{iq} is the sum of the mean marks and standard deviation of the i^{th} session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.
