- **Workshop on Microsoft Excel**

On behalf of Department of Computer Science one day workshop on MS Excel was conducted for teaching Staff Members by Mr. Siddhesh Khawale & Mrs. Avantika O. Keluskar.

- **Workshop on Game Programming**

One day workshop on Game Programming Was conducted by Mrs. Anuja Gharpure From Gogate Jogleker College, Ratnagiri

- **Farewell of Third Year Students**

One day program sponsored by our F. Y. & S. Y. students to farewell their seniors. & to appreciate their devotion at department & college.

- **Parent – Teacher Meet**

We organize parent – teacher meeting at every Semester. So that, Parents are come to know the progress of their child & students are also get aware & serious about their studies.

- **Alumni Interaction with current students**

We organize at least one to two sessions in every semester, that conducted by one of our Alumni. The benefit of this session is, our students are come to know about demand of the market. And they make their selves ready to face outside word.

- **Syllabus Introduction through PowerPoint Presentation**

Every semester we arrange introductory session of syllabus, it helps students to understand outcomes of the syllabus
